

To the supportive community of Fremont Ross and St. Joe Central Catholic Athletics:

Thank you for your past and present support of all Fremont Athletics. With your help, we have improved and replaced several facilities for our student organizations at both Fremont Ross High School and St. Joe Central Catholic High School. With your gracious help we have raised over \$7 million dollars.

This privately funded amount has been used to renovate and construct:

- *Don Paul Stadium, formerly known as Harmon Field*
- *New tennis courts behind Ross High School*
- *A new baseball/softball complex, Alumni Fields, for Ross High School*
- *Baseball fields for SJCC.*
- *Soccer Field and practice Football fields for SJCCC*
- *A new wrestling facility at Ross High School*
- *A new natatorium at Ross High School (shared by Ross and SJCC)*
- *Seven new classrooms for Ross High School*

We have accomplished so much thanks to your help. But we are not finished! We still currently owe 2 million in outstanding loans, and still have hopes to improve many facilities for our young men and women. So we come to you to ask for your continued effort in improving both of Fremont's High Schools. On the attached form you can out how you can help. Any donation is appreciated and tax deductible.

Finally, we encourage you to come out and continue to support our town's athletic activities. It is because of you we have these improvements, we urge you to come enjoy the top of the line High School facilities that our students now have. The continued improvements have increased student involvement and have helped grow our young men and women with the help of competitive competition. We thank you in advance for all of your support. It takes just a little help from us all to improve the lives of our future.

Thank you,

Fremont Area Foundation
