BOARD MEMBER COMMUNICATION AND INFORMATION

Congratulations to the Third and Fourth Grade students and thank you to their parents. It is so nice to see them get their awards and to hear such wisdom from the children. Their quotes should be published.

Glad to hear the kids are enjoying the new high school. Thank you to our community for making this happen.

Thank you to the community for the donations.

Looking forward to seeing the Health Assessment to find out how our students are doing and some future grant opportunities that may be available.

Thank you to Mrs. Belcher for her concern of our children's safety.

Happy Valentine's Day to everyone.

Good luck to the Winter Sport Teams!

Mr. Price is also on the Board at Vanguard and spoke of the grant they received for a Tower Tech Program to educate the community on fiber optics. It is an adult program and the first class will be held this spring. He also announced that there is a new Career Tech Bill coming up that will allow Driver's Ed to be brought back into the schools with little or no charge for the students. It will be a great opportunity.

Regular Meeting
February 14, 2022**

Mr. Price asked to send out a message to our community members to address some of the social media comments.

- The comments and posts on social media have become a big complaining issue. Our new schools are amazing and everyone is doing the best we can. Please make a simple telephone call or send an email if you have questions or concerns. Mr. Detwiler does a wonderful job in responding.
- School closing February 2 – 4, 2022. We erred on the side of caution when closing school for the winter storm, especially on Wednesday. There was no way to predict when the weather would turn. It is a safety issue for our students, especially those who ride on the busses and those students who drive to and from school. It is much better to be safe than sorry when it comes to the safety and concern of our children and staff.
