**We encourage your student to start each day with a healthy breakfast. In addition to the breakfast menu, each building will have a grab and go option enabling students to get breakfast regardless of arrival time in the morning. Options for grab and go breakfast will change each week allowing us the opportunity to offer a variety of options to students. Our goal is to ensure that each student starts their day with a full belly!**

Menus are planned according to Food & Nutrition Guidelines set forth by the USDA. Menus are subject to change due to product availability, new product offerings, or weater related issues. Any changes will be communicated on the morning announcements.
