Registration underway for summer classes at Terra State

FREMONT – Registration is now underway for Terra State Community College's summer semester that begins May 21.

"Students at four-year institutions can take classes at Terra State and transfer those credits, while current Terra State students can continue their education year-round. Either way, these students can earn their degrees quicker and for less financial commitment," says Terra State Director of Admissions Justin Veigel.

Classes are \$186 per credit hour, and credits earned at Terra State transfer easily to most other institutions in the state, Veigel said.

While the majority of classes begin on May 21, other classes begin on June 18 and July 2. A wide variety of class subjects is offered that

include distance learning and online options.

For more information, contact the Terra State Admissions Office at 419-559-2349 or admissions@terra.edu or visit terra.edu.

EHOVE nursing program shines

MILAN – EHOVE School of Practical Nursing has once again been ranked one of the best practical nursing schools in the State of Ohio. The site, practicalnursing.org, ranked EHOVE Adult Career Center's school as number 10 of 60 for the second year in a row and it is the third year EHOVE has remained in the top 20 schools in Ohio. For the ranking, nursing programs were assessed on several factors that represent how well a program prepares students toward licensure and for their career in nursing. More information about the group's methodology is available online at practicalnursing.org/lpn-programs/ohio.

"We believe in providing students with better transparency in regard to practical and vocational nursing programs throughout their state that allows them to better match the right school accessible to them," said practicalnursing.org founder Simon Korpi. "This is the reason we have developed our LPN & LVN Programs Ranking based on NCLEX-PN exam passing rates."

Enrollment is open now for the next parttime day program which begins June 4, and the full-time program that starts July 5. Call 419-499-4663 x231 for information.
