FREMONT – The Fremont Ross Marching Little Giants showed Stamm Elementary School students a few dance moves Wednesday, as the marching band performed at Don Paul Stadium.

Stamm Assistant Principal Kim Beardmore said this was the first year the band had performed for the younger students. She said she approached the band’s director about bringing the Ross band over for an afternoon performance.

Band members performed Michael Jackson’s “Thriller,” “Soul Man,” and “Demolition Dog” for the elementary school students.

Stamm students came on the field after the performance, where band members worked with the students and showed them how to do the iconic “Thriller” dance.

Beardmore said she hoped the Fremont Ross band would return next year for another performance for Stamm students.
