BCS receives new designation from state

OAK HARBOR - All three school buildings within the Benton-Carroll-Salem School District received a new designation from the Ohio Department of Education.

Beginning this fall, the ODE will identify schools every three years based on Ohio's accountability system and provide a range of support for schools designated as one of the following: Warning, Priority, Focus, and Independent.

All three school buildings in the B-C-S School District were designated as "Independent." In other words, the student results have been so strong that the district is 'independent' of Ohio's accountability system.
