Rotary recognizes students of the month

FREMONT - The Fremont Rotary Club held its Sept. 9 meeting at the Fremont Country Club.

The Rotary Club recognized Students of the Month from Fremont Ross High School, St. Joseph Central Catholic and Vanguard Career and Tech Center for September.

Those recognized were:

Kayla Glotzbecker, Fremont Ross; Mattie Spicer, St. Joseph CC; and Nicole Holland, Vanguard.

Rotarian Pam Hoesman provided information about the Rotary Literacy Program. This program provides books and volunteer readers to each kindergarten, first and second grade class in Fremont City Schools.

The books' content is aligned with the current topic and curriculum being taught in each class. This is provided in 14 classrooms. Chris Ward, principal at Atkinson Elementary and Ava Bolton, a third grade student at Atkinson Elementary, spoke about the success of the Rotary Literacy Program.

The next Student of the Month Recognition is on Oct. 14.
