Countryside Manor celebrates building renovations

FREMONT - Rachel Wynkoop, interim director of the Chamber of Commerce of Sandusky County, along with chamber ambassadors, city and county officials and the community helped celebrate the grand opening of the newly renovated Countryside Manor.

Jacob Stern, CEO of Countryside Manor, took ownership in August 2018. In November 2018, renovations began on the rehabilitation and nursing facility on Ohio 6, just off U.S. 20, north of Fremont. All three floors of the building received a face-lift with new paint, furniture and layout of care wings.

The third floor now features a sunroom for long-term residents and their visitors.

“We get to carry on the tradition with the efforts and investments they’ve made in this community with this building,” said Sandusky County Commissioner Scott Miller.

After the ribbon-cutting ceremony, staff at Countryside Manor led tours of the building.

Youths may apply for CMP scholarships

PORT CLINTON - The Civilian Marksmanship Program (CMP) is set to reward commendable student-athletes for the 2020-2021 school year in their future endeavors through its annual scholarship program. The CMP offers \$1,000 one-year scholarships

based on merit and rifle or pistol marksmanship participation to current high school seniors only.

Since 2005, CMP has awarded over \$1 million in scholarship prizes. Last year, the CMP awarded nearly \$160,000 in scholarship money. Winning recipients came from a mix of JROTC schools, 4-H groups and other shooting clubs.

To be considered, applicants must turn in a list of past and present rifle or pistol competition history, awards, involvements and future expectations for the sport. Proof of participation, including match bulletins, photos or CMP Competition Tracker printouts (for example), must be presented in order to be considered for the scholarship. Applications without this will be discarded.

Those interested must also provide academic information such as grade point average of 3.0 or above, test scores and a list of extracurricular activities. Additionally, an official transcript must be provided, along with a letter explaining why the applicant is applying and what future plans the money will fund. A nomination/recommendation letter from a coach or instructor is also required.

The deadline for application submission is March 20, 2020.
