Elementary shows off school, patriotic spirit with care packages

LINDSEY — Washington Elementary School wants to show its “Bulldog Spirit” and patriotic support of a U.S. soldier and his unit by creating care packages to send to him.

Shari Snyder, a Lindsey-Washington Elementary School bus driver, has a son, Stephen, who has been deployed overseas.

The students are asking for help from the community.

Visit the Lindsey Volunteer Fire Department Web site at www.LindseyFire.org for a list of items that are acceptable to send. Notes of encouragement and support are also acceptable.

Items can be placed in the collection boxes at the elementary school or dropped off at Sandy’s Village Café. Boxes will also be available at the Washington Elementary Chili Festival on Feb. 28. Donations will be accepted until March 4. Packages will be sent the following week. Any questions can be directed to Sharon Lagrou at 419-355-8663.
