## Registration for Fremont kindergarten next month

*Submitted by Fremont City Schools*

Fremont kindergarten registration will be next month at each of the elementary schools.

If a child will be 5 years old on or before Aug. 1, he or she is eligible to start kindergarten in the 2009-2010 school year.

At the time of registration, parents must bring a copy of the child's birth certificate, immunization record, proof of residency and any custody papers, if applicable. All kindergarten children are required to have the chicken pox immunization before entering school in the fall.

Parents should call their school attendance area for an appointment for screening that both parent and child attend. This screening will last approximately 90 minutes.

Call the office of curriculum, assessment and staff development at 419-334-5441 for questions.

### **The schedule is as follows:**

- **May 5-6:** Otis -- 9 and 10:30 a.m. and 1:30 p.m.; call 419-332-8964.
