## Students visit Bethesda residents

*Submitted story*

### **Fifth-graders party with 'grandfriends'**

Bethesda Care Center and Barb Moran's fifth-grade class got together Feb.17 in honor of Valentine's Day. The party had been previously scheduled, but because of weather delays and President's Day, it was delayed.

Each student has a grandfriend who they visit one to two times a week.

The party Feb. 17 included music, exchange of valentines, a craft and the crowning of Bethesda's king Clyde, Bethesda's queen Bobbie and Otis's prince Walker Cooper and princess Julia Zucker.
