## Air Force Academy to consider pair of local students

BOWLING GREEN -- U.S. Rep. Bob Latta, R-Bowling Green, nominated two students from Ohio's Fifth Congressional District for consideration for acceptance into the U.S. Air Force Academy, Colorado Springs, Colo., class of 2014. They are Mackenzie Kuieck, a Fremont Ross High School student, and Joseph Braun, of Lindsey, a student at Woodmore High School and Penta Career Center.

A nomination does not guarantee acceptance to the academy, which is made through its admissions office. Additional information regarding the academy nomination and application process can be found on Congressman Latta's Web site, [latta.house.gov](http://latta.house.gov).
