

Hayes Elementary School students Maurice Jones, Colin Zelms, Avery Franks, Jaretsy Benavides, Christopher Navarro and Azaydee Ramirez join Mrs. Selvey and some 360 students and staff members for cake and punch to celebrate after the school received an excellent designation on the state report card for last school year. School officials extended their appreciation to Superintendent Traci McCaudy and the Fremont City Schools Board of Education for purchasing a banner that hangs from the front of the school building. It reads, "Hayes Elementary: Linking Together for Success! A State of Ohio Excellent School."
