

## Register children for Fremont schools

Submitted story • March 24, 2010

FREMONT -- Kindergarten registration for Fremont City Schools will take place in May.

A child who will be 5 on or before Aug. 1 is eligible to start kindergarten during the 2010-2011 school year.

At registration, parents must bring a copy of the child's birth certificate, immunization record, proof of residency and any custody papers, if applicable. All kindergarten children are required to have the chicken pox immunization before entering school in the fall.

Parents should call their school attendance area for a screening appointment that parent and child must attend. This screening will last about 90 minutes. There will be limited evening hours available for those who can't attend during the day. Call your school for an appointment.
