Ross to join Toledo City League

News-Messenger reports

TOLEDO — The City League will include Fremont Ross starting in 2011.

The league's board of control met today to consider admitting Ross, Findlay and Lima Senior. Ross was the only school chosen, according to the Lima News.

Toledo City League Commissioner Ed Scrutchins referred media inquiries to Ross athletic director Art Bucci, who could not be reached for comment.

The Greater Buckeye Conference, current home of the Little Giants, is disintegrating. Sandusky bolted for the Northern Ohio League, while Napoleon was admitted to the Northern Lakes League.

With Ross's departure, the conference will be left with three teams -- Marion Harding, Findlay and Lima Senior -- starting in 2011.
