Student accepted to leadership forum

Adriana Sanchez, a student at Hayes Elementary School, has been accepted into the People to People World Leadership Forum. Sanchez will join a select group of students in Washington, D.C., from Sept. 21 to 26 to study leadership and explore some of the U.S. most prominent monuments and institutions.

From Capitol Hill to the Smithsonian Institution, and from Gettysburg National Military Park to the International Spy Museum, Sanchez will examine the characteristics of American leadership during times of national challenge and prosperity. Forum delegates will also participate in small-group discussions and exercises to experience how successful leaders develop strategies, make decisions, build consensus and foster change.

Sanchez was nominated and accepted for the honor based on outstanding scholastic merit, civic involvement and leadership potential.
