Dear Parents,

This letter is to inform you that Stamm Elementary **MET all Adequate Yearly Progress** goals for 2010-11! Students, staff, and parents are to be congratulated for their effort toward school improvement.

Even with this hard work and dedication, it should be noted that Stamm Elementary remains in School Improvement *Delay* because in previous years our school did not meet Ohio's goals.

2010-11 Met ALL areas
2009-10 Reading and Math
2008-09 Math

Your child can attend a similar school that is NOT in need of improvement and the district will pay for transportation. The choice of schools may be limited due to some buildings being At-Risk. You may choose to send your child to either:

Croghan Elementary
Washington Elementary

The Stamm Elementary School personnel has developed and implemented a school improvement plan. This plan is reviewed annually. If you are interested in learning more about the improvement plan, please contact Mrs. Oravets at Stamm Elementary.

Feel free to contact Mrs. Christine Oravets, Principal of Stamm Elementary 419.332.5538 or Mrs. Denice Hirt, Director of Curriculum, Assessment, and Staff Development at 419.334.5435 with any questions regarding the local report card and/or school choice.

Sincerely,

Dr. Traci L. McCaudy
Superintendent
