Fremont City Schools Hosts Community Meetings

Please join us on Thursday, February 22nd from 5:30-7:00 pm or 7:30-9:00 pm at Fremont Middle School for a community meeting to discuss the four new elementary buildings.

The discussion will be focused on providing an overview and scope of the project by representatives from our architects. Focus topics will include academics, safety and security, building efficiencies and community focus. In addition, we would like community input on unique aspects of the buildings and sites that could be preserved and carried forward to the new facilities.

We look forward to discussing the future of our District with you at one of the community meetings. If you have any questions, please feel free to contact Jon Detwiler, Superintendent, at detwilerj@fremontschools.net.
