

Dear Fremont City Schools Community,

For the last two years, a coalition of volunteers and donors from every corner of the Fremont City Schools community came together to participate in a Bond Levy campaign that offered us the opportunity to construct all new buildings for our children. Parents, students, administrators, teachers, support staff, business owners, politicians, retirees, law enforcement, health care providers, civic organizations, faith-based communities and more provided support for the levy.

To those persons, to the thousands of voters who cast ballots for the levy and to every other supportive constituency that I have not named above, I offer my heartfelt appreciation to you for joining me and Fremont City Schools in the levy efforts.

My priority as Superintendent of Schools is to provide the safest places and the highest standards for learning that our means allow the District to provide. That priority will not change.

Again, I sincerely appreciate your assistance with the levy effort and will appreciate as well your assistance in the future as we deal with the challenges of our District's building infrastructure.

Sincerely,

Dr. Traci McCaudy, Superintendent

ei melandy

A community survey regarding the Master Facilities Plan has been mailed to all FCSD households and is available on the District website. Please take the time to complete the survey and share your thoughts by December 2nd.

# **UPCOMING FCS BOARD OF EDUCATION MEETINGS**

Please join us at an upcoming Board of Education Meeting:

December 5, 2016 Ross Little Giant Theater • 5:30 p.m.

December 19, 2016 Fremont Middle School • 5:30 p.m.

Please visit the FCS website, www.fremontschools.net, for a complete list of meetings, meeting minutes and other pertinent information.

#### Otis "Explores Our Backyard"

Students at Otis Elementary attended the annual Sandusky County, "Explore your Backyard," field trip put on for all fourth graders in the county. This all-day event is co-sponsored by the Sandusky County Soil and Water Conservation District and the OSU Extension Office. Throughout the day, students went to different stations around the Sandusky County Fairgrounds learning about plants, animals, recycling, and natural resources. Different presenters were set-up throughout the fairgrounds. In this photo, Lazerick Howard holds a crawfish for the first time when Mrs. Errington's class attended the Aquatic Life demonstration. Students learned about the Great Lakes, fish found in Lake Erie, good and bad algae, and much more. After the field trip, students followed-up back at Otis with a writing assignment that included new facts they learned from the day and their favorite presentations.

#### **Surface TENSION**

Katy House-Lantto and Mena Wylykanowitz, students of the Gifted and Talented Program, observe as they complete an experiment about surface tension. After creating a hypothesis, students were to combine milk, food coloring and dish soap, and observe the outcome. Students have been discussing the Scientific Method and reviewing the steps, to prepare for the annual Creek Bend Project at Creek Bend Farm Park in Lindsey, Ohio.

#### **Rr** is for Rocket

The Croghan Kindergarteners are hard at work learning their letters and sounds. They practice these letters and sounds in a variety of ways. Letter "Rr" activities included rainbow writing, building the letters with red rope licorice and launching a water and air powered bottle rocket. The Croghan Kindergarten students are amazing!

# **Veterans Appreciation Night**

Ross High School conducted a Veteran/Military Appreciation Night during the varsity game versus Lima Senior. Heidi Gallagher's Leadership class hosted a pregame

tailgate and recognition pregame show for our local veterans and military personnel. Thank you veterans/ servicemen for serving our country!

# Annual "Powder Puff" Game Raises \$1,100 for Key Club Sponsored Community Service

The fall weather was perfect to hold the Fremont Ross Key Club's Powder Puff football game at Don Paul Stadium on Thursday, November 3rd. Forty-eight girls played the game, along with a volunteer pep band and seven male cheerleaders performed at the half-time show. The final score of the game was Seniors 24 - Underclassmen 12. Key Club raised over \$1100 from the event, with 100% of that money being used for their community service projects.

# Lights, Camera, Morning News!

Stamm Elementary School's Tiger TV news crew is in place. Everyone is excited to begin this new endeavor. The news crew will work as a team to present student and staff with the Stamm news, weather and sports in a witty and entertaining manner. Broadcasts are recorded morning and shared with teachers for their students to view in the classroom on the SMART Board. Who knows, maybe this will be a stepping stone for the next Matt Lauer, Natalie Morales or Al Roker on the Today Show!

#### Atkinson Gifted Students Investigating Ecology and the Scientific Method

The Atkinson Third and Fourth Grade Gifted and Talented Program students have begun working on their science based project. This year, we will be working with the staff at Creek Bend Farms. The third graders have begun to collect data on the small mammal population, and the fourth graders are banding birds and entering the data into the National Aviary Database.

During this year-long project, the students will be developing an understanding, and following the steps of the Scientific Method. They have already formed a hypothesis and have begun collecting data and have found their dependent and independent variables. It is an exciting project, and the students can't wait until May to see their final results.

LOCAL POSTAL CUSTOMER

The FCS Board of Education is seeking applications for a School Board Member due to Scott Miller's recent resignation effective December 9, 2016. The newly appointed School Board Member will complete Miller's term and serve until December 31, 2017.

Citizens interested in being considered for appointment to the FCS Board of Education should complete an application (available at the FCS District Office or on the District's website, wwwfremontschools.net) and return to Dr. Traci McCaudy, Superintendent, FCS District Office, 500 W. State Street, Suite A, Fremont, Ohio 43420, *no later than Friday, December 2, 2016, at 4:30 p.m.* 

### **Veterans' Day at Ross**

Veteran's Day is a day honoring those servicemen and servicewomen who have sacrificed for our country. Held on the anniversary of World War I, this day is a significant part of our culture. Because of veterans, we are given the right and privilege to live in a safe and free country. Since we as Americans depend tremendously on our military to maintain these rights, it is our duty to show our thanks. To express our gratitude to veterans and those currently serving, it is important that we celebrate their services. The annual Veterans Day Assembly took place on Thursday, November 10, 2016 at the Ross High School gymnasium at 9:30 AM. Captain Jeffrey J. Draeger, a Fremont Ross graduate was the keynote speaker. The ceremony also honored Jim McGrady, formerly the oldest veteran in Sandusky County, who recently passed away.

Fremont City Schools Board policy of nondiscrimination extends to students, staff, job applicants, the general public and individuals with whom it does business and applies to race, color, national origin, ancestry, citizenship status, religion, sex, sexual orientation, gender identity, economic status, age, disability, military status or genetic information.
