Hello Lutz Families!

February was full of fun! Of course we had our annual Winterfest event, but we also celebrated Black History Month, the 100th day of school and Valentine's Day!

Also in February, we were able to enjoy a 5th grade music program, led by Mrs. Wright. The program that focused on the Greats of Rock and Roll was enjoyed by all. What a talented bunch of 5th grade students we have!

We want to thank everyone who helped make Winterfest a huge success! The students had a great time and it's wonderful to see families taking part in our school community. We were able to bring in over \$3000 to grant scholarships to former Lutz students. As always, we appreciate all you do to support our students and school.

Calamity Days

FCS has used our allotted 5 calamity days for this year. Any further unexpected days off will be virtual learning. Teachers will have lessons in Google Classroom. Please reach out to your child's teacher with specific questions.

Morning Drop-off:

- We prefer that parents utilize the drop-off lane. Please remain in your car and someone will assist your child in getting out of the car. Students should get out of the car on the curb side **only**.
- In the drop-off lane, please pull all the way up to the flagpole (past the front doors) to help alleviate the back-up of traffic onto Buckland Ave.
- If you are going to walk your child to the school, you must park in the parking lot and use the crosswalk to drop them off at the front doors.
- Please do not use the handicap parking spaces unless you have a handicap tag.

Thank you for your cooperation in helping us to keep all our Lutz students safe!

Word of the Month

Integrity is the word of the month for March. Having integrity means following a positive code of behavior and being consistently truthful, sincere, and fair. The focus skill for this week is being a good friend. A good friend has integrity and is sincere with others. Ways to instill integrity into your child/children:

- Being honest, trustworthy, practice self-control and being fair.
- Choosing words and actions that show you are a good person with integrity.
- Being reliable, dependable and showing you are worthy of others' confidence in you, you are a person of integrity.
- Following through with commitments.

Exploring your child's interests and hobbies can help them figure out which career path he/she might want to go down in the future. Here is a fun website to check out. Look for more ideas in the upcoming months.
