

Dear Atkinson Parents,

In the past I have invited a variety of guest readers to the library to read to our students. This year I would like to invite parents as guest readers for their children's class during their library time. Students love to see their parents involved in school activities so I think this would be a lot of fun for kids and adults as well as showing our little ones how important we think reading is. You may read a book of your choice, or I can provide you with one. If you would like to read storytime during the week of March 22 thru March 26, please send me a note or call me at your convenience. I have included a schedule so you may know when your child's library time is.

Thank you,

Mrs. Stohl, Atkinson Elementary Library 419-334-6783
