Cleaning equipment		Any equipment requiring electricity/plumbing

2. Groups must obtain facility donation proposal forms from the Director of Facilities/Operations.

4. Donator may be asked to present proposal to appropriate committee so that details/questions may be addressed.
5. Fremont City Schools must be provided financial assurances or actual monetary donation prior to work being initiated.
6. All required documents (for example BCI/FBI, insurance, worker's compensation, DMA) must be on file with the Director of Facilities prior to any work on Fremont City Schools property/facility.
7. The work timeline established by the Director of Facilities will be followed. Any alterations due to changes in the scope of the gift must be preapproved through the Director of Facilities and with the final approval of the Fremont Board of Education.
