Memorial Health Care System presented Art of Caring awards to students at an event in the main lobby of the hospital.

The winners were Madison Jones of Clyde Elementary, Autumn Ollom of Washington Elementary, Ellyson Stotz of Otis Elementary, Lidia Rodriguez of Ross High School and Cedric Carter of Lutz Elementary.

The Art of Caring Student Art Exhibit allows Memorial Hospital to connect with and celebrate student artists and their families, and help to create a stimulating visual environment.

The exhibit displays art from students in each grade level in Memorial's primary service area.
