

Craft show set for Oct. 22

OCTOBER 12, 2011

FREMONT -- Croghan Elementary School is kicking off the holiday season with its second annual craft show from 10 a.m. to 2 p.m. Oct. 22. The community is invited to see all of the different items for sale and to get a jump on holiday shopping. It's also a great way to support the students at Croghan.

More crafters are needed. The price is \$5 for a six-foot table and vendors are asked to donate a door prize with at least a \$5 value.

To participate or for information about the show, call 419-332-1511 and leave a name and number. Either Polly Garlock or Patti Knipp will return the call promptly.
