Dear Parent(s),

It gives me great pleasure to inform you that Fremont City Schools is participating in The University of Toledo Scholarly Savings Account Program. Beginning with our grade 8 students, The University of Toledo will make annual deposits of \$2000 into individual student scholarship accounts for a maximum of five years for eligible students. Upon graduation from high school, eligible students may have accumulated a maximum of \$10,000 in the scholarship savings account to be utilized toward The University of Toledo tuition. Scholarship funds will be disbursed in annual increments of \$2,500 for each of four years in attendance at The University of Toledo.

I have attached the eligibility requirements that must be met in order for our current 8th grade students to receive \$2,000 in June 2012 and each year thereafter. Additionally, I have enclosed a news article about the UT Scholarly Savings Account program and a "Frequently Asked Questions" sheet as well. If you have any questions about this program please feel free to contact your child's guidance counselor. You may also visit the UT Scholarly Savings Account website at <http://www.utoledo.edu/admission/ssa/>.

Sincerely,

Traci McCaudy
