Dear Parent(s) of Ninth Grade Students,

It gives me great pleasure to inform you that Fremont City Schools will once again participate in The University of Toledo Scholarly Savings Account Program. Last year 108 eighth grade students earned \$2,000 to be utilized for The University of Toledo tuition upon high school graduation. This year ninth grade students will once again have an opportunity to earn \$2,000 if they meet eligibility requirements.

I have attached the eligibility requirements that must be met in order for our students to receive \$2,000 in June 2012 and each year thereafter. Additionally, I have enclosed a news article about the UT Scholarly Savings Account program and a "Frequently Asked Questions" sheet as well. Please feel free to discuss this program with your child's guidance counselor. You may also visit the UT Scholarly Savings Account website at <http://www.utoledo.edu/admission/ssa/>.

Sincerely,

Traci McCaudy
