

## PRINCIPAL'S REFLECTIONS...

Dear Hayes Families,

It's amazing how fast time is flying by. We are into the month of December already and aiming into the year 2010! We had a very exciting November, from Parent-Teacher conferences to our 4<sup>th</sup> grade music program. Our 4<sup>th</sup> grade students did an excellent job of performing and singing to an audience that filled our gymnasium. Thanks to our music teacher and director, Ms. Felecia Tchen, for doing an outstanding job with this performance.

Then, as our students enjoyed a day off of school on November 16<sup>th</sup>, Professional Development Day, our staff met to expand on the goals of improving the climate at Hayes and to learn about the RTI (response to intervention) model that is in its early stages at Hayes. This model is used by teachers in learning what assessments and interventions to use with their students in order for them to gain better skills with their learning and progress. These interventions are monitored for their effectiveness through evaluations. As the teachers collaborated with one another during this time, they realized that all students can and will learn, and that some learn in different ways and at different paces.

A reminder to our Hayes families...on Wednesday, December 9, the PTO will be hosting a sale of pizza at Papa Murphy's in the WalMart store. Hopefully, you will come there to do some shopping and then stop by to purchase a pizza to take home and bake. The 15% proceeds of this event will go towards the future plans of PTO.

As we get into the festive holiday season, there will be a Secret Santa Shop for your children during the week of December 14. This is sponsored by PTO and will allow the children to purchase gifts for their family members, have them wrapped and keep them a secret until Christmas Day. We will also have an all school Christmas Caroling time on the 21<sup>st</sup>, which is a time when the student body joins together in the hallways and stairwells to sing Christmas Carols, under the direction of Ms. Tchen.

During this time of the hustle and bustle of this holiday season, the Hayes staff would like to wish each and every one of you a very joyous and safe holiday season, along with a wonderful new year in 2010.

Such drills must be practiced throughout the year so that everyone knows what to do in case of any on of these Emergencies. If your child comes home and tells you that there was a lockdown, it may simply be a practice or surprise lockdown. If indeed a true emergency occurs at any One of our buildings, you will be notified in some manner Of the situation and the actions of the District.

If you have any concerns or questions regarding safety Issues or the required drills, you may contact Dr. Kimberly Theller at [thellerk@fremont.k12.oh.us](mailto:thellerk@fremont.k12.oh.us) or at 419-334-5437.

## Word of the Month

. December's word of the month is **Caring** and the holiday season is a great time to show others how much you care about them. So remember to be kind and helpful! How does it feel inside when you are caring? Well, it should feel good! We become a caring person by doing caring things and not expecting anything in return. Think about what caring things people have done for you. **Pay It Forward.** That means if you help one person, who helps one other person, and every person helps one other person they are paying it forward. Eventually hundreds, thousands, and millions of people are helped! Parents expect good character from your children and model the behavior in front of them. Think about how your actions and words can help others and you will be helping yourself!

Mrs. Hatfield  
Guidance Counselor

### Let it snow!!!!

Remember the weather changes every day! Please make sure your child has the appropriate clothes. We go outside unless it is raining or under 20 degrees. Hats, gloves and scarves are needed as they are outside for 30 minutes. Thank you for your cooperation!

### Ways to be a Caring Person

- Hold the door for someone.
- When someone says hello, say hello back.
- If someone is carrying a heavy load, ask to help.
- Do not cut in front of others.
- If someone drops something, pick it up.
- Pick up after yourself.
- Share
- Take Turns
- Use the *Golden Rule* treating others the way you want to be treated
- Volunteer your time
- Say please and thank you

*Don't Forget: "No one act of kindness, no matter how small is ever wasted." Aseop*

### IMPORTANT IMPOR- TANT

Please remember to cross your child at the crosswalks with the crossing guards. There are too many children running across streets to meet their parents and we have received phone calls from parents and citizens who have almost hit a child. We want to keep our children safe, as we are sure you do also.

## Hayes Elementary PTO – Your Parent/Teacher Organization

**\*\*NEXT MEETING – January 6, 2010,  
3:45 PM IN THE LIBRARY\*\***

**WHAT'S NEXT:** We are going to start discussions about getting new playground equipment for our school. We will be applying for grants but that will not cover all of the costs. So we are pursuing other fundraising methods to help us reach our goals.

**PAPA MURPHY'S PIZZA DAY:** The next fundraising event is the Papa Murphy's Pizza Day on December 9, 2009. Some teachers and members of PTO will be there that evening making pizzas. Please come out and order a pizza that day and support Hayes Elementary! Desperate plea for assistance: We do need some help that day from 4:00-7:00. If you might have some time to help, please let us know.

**SECRET SANTA SHOP:** The Secret Santa Shop will be happening again in December. This is not run as a fundraiser. It runs as a special treat for children who want to buy little gifts for family and friends. We do need help at lunch time the week before Christmas. If you might have a little free time, please let us know. **All items will be priced at \$1.50.**

If you want to keep up with the PTO, send an email to [hayes\\_pto@yahoo.com](mailto:hayes_pto@yahoo.com) or Friend Hayes\_PTO on Face-
