

September 4, 2009
For the week of 9/4-9/11

Important Dates

Great Opening Day

Let me congratulate all the FMS staff for their help in wonderful opening. During the first day we had a 98% attendance rate and only 2 people came without any campus wear. The students looked great and were ready to learn. Thanks for all your help and your support. Next time you are in the office please make a point to thank the secretaries. We could not have opened without them.

Reading Edge

Sue and I have had a chance to visit some of the rooms during the reading edge portion of our day and we have to say we are impressed on your implementation. Good job. If you have any questions please e-mail me and we will try to answer your questions.

September 11, 2009 Obama Speech

The speech is going to be broadcast live on C-SPAN which teachers should be able to watch on their Channel One televisions. It is also going to be streamed live at www.whitehouse.gov/live for viewing on the computer. Please check your e-mails for instructions on viewing the speech through our Channel 1 station.

- Sept. 8th - Reading Edge meeting
- Sept. 8th - Staff meeting
- Sept. 8th - Dept. meeting

Staff meeting Agenda
3:05-4:05

Location: FMS Library

Fire Drill—what can we do to improve and streamline the procedure.

Tornado Drill—Where do you go and what do.
