

2009-10 Scholarships

Introduction

Welcome, 2010 seniors! This is the first scholarship list of the 2009-2010 school year, and this is how the list works. Every two to three weeks, I print a list of the scholarships that organizations or schools have sent to me. The newest scholarships are always on the *UPDATE* list; the scholarships from the previous update list are moved to the *RUNNING* list and remain there until their due dates have passed. The lists are dated and can be found in the guidance office and on the school's web site at www.fremontschools.net/schools/ross/guidance. Each scholarship on the list has a short description so that you can determine whether or not you are eligible to apply. For all of the scholarships I list, I either have the applications on file, or have the web address to download the application or apply online. Unless the description of the scholarship states specifically that you should return the scholarship to me, you are responsible for submitting your application to the appropriate organization or school by the due date. If you need a transcript, see either Mrs. Sweeney or Mrs. Kelly in the guidance office. Listen to announcements for the availability of an updated list. Lists are also posted in English and government classrooms. Other scholarship resources you may want to use are the colleges you are applying to, which often award scholarships through their application process, and at the following websites: www.finaid.com, www.ohioCAP.org, <http://studentaid.ed.gov>, and www.fastweb.com.
