

### ***Parent Tips:***

- ⇒ Take bullying seriously.
- ⇒ Be a positive role model. Don't hit, ridicule, or gossip about someone in front of your children.

**Conflict is Normal**—Conflict assumes that both children are in part responsible for the current problem and need to work it out. Bullying is unfair, hurtful, and targets a specific victim.

### **Find Out More and Get Help if Needed:**

The administration and staff of Fremont City Schools are committed to keeping our schools a safe and academically challenging educational environment. Any student or parent that believes their child has been the victim of bullying should report the situation to the building principal or assistant principal. All complaints will be investigated and any instance of harassment will result in prompt and appropriate discipline and/or remedial action. Please see the Fremont City School District Bylaws and Policy 5517.01 on our district website:
