

ATTENTION:

Parents and Guardians of 12th grade students

12th GRADE IMMUNIZATION REQUIREMENTS

12th grade students are required to have the following immunizations prior to the first day of school:

MCV4 meningococcal disease (serogroups A, C, W and Y)

Please contact the Sandusky County Health Department (419-334-6367) or your family physician to schedule an appointment. You must take your child's immunization record with you to the appointment. If you need a copy of your child's immunization record, please contact your school nurse prior to the end of the school year.

Make your child's appointment NOW because summer appointments are in demand and often unavailable.

Please Note: Students not in compliance with the immunization requirements are to be excluded from school attendance no later than the 15th day after the start of the school year.

Re-admittance will not take place until proof of additional immunization (s) is submitted.

Thank you for your assistance in this matter. Please contact your school nurse if you have any questions and/or review the information on the FCS Website.
