

NOVEMBER 2025

Dear Atkinson Families,

Chilly weather is certainly here! Please be sure your child is dressing according to the weather. We are in quarter 2 already and will start quarter 3 in January after Christmas break.

A quick heads up to all parents who pick up their child at the front doors after school each day: Starting in January, we will no longer offer this as a pickup option. Students will need to be a walker, a Delaware walker, a Bus rider, or a car rider. Please plan accordingly!

Look at all of the exciting things we have done already here at Atkinson! A HUGE turnout for Grandfriend's Day, Donuts for Dads, and our Fall Costume Parade. Students were able to hear Fall stories and roast marshmallows to make s'mores. We loved seeing all of the parents lined up to watch the parade at the end of the day! We will have a great Christmas event in December and Muffins for Moms in April!

A huge shout-out to all of the parents and guardians who continue to support our staff here at our building! We are doing amazing things, and we appreciate hearing positive feedback as well as those who support our judgment when a student needs a little correcting. Together, we can help your children be very successful!

With Kids in Mind,

Chris Ward
Principal

Counselor's Corner

Dear Parents & Guardians,

It has been a great start to the year! Through my school counselor class lessons, students have been learning and practicing positive character traits. We have been focused on defining elements of bullying, how to handle bullying situations, and showing responsibility. Below are some key takeaways from the topics we have been learning.

What is Bullying? Bullying is hurtful and repeated, but it also... Unwanted physical or emotional pain involves an imbalance of power and can happen online (cyberbullying).

What is Responsibility? Responsibility is taking action and understanding the impact of our choices. Taking action can mean doing the right thing or completing the tasks you have been assigned. Understanding the impact of our choices means that our actions matter. Positive and responsible actions can benefit people, while irresponsible actions can harm others.

As always, please do not hesitate to reach out with any questions!
