

## February 2023

Hello Croghan Families!

On Monday, January 30, 2023, we used our 5th and final calamity day for the school year. The next school cancellation will become a Virtual Learning Day.

- Classroom teachers will communicate the schedule for the day by 11:00 on the Virtual Learning Day. Teachers will communicate this information through Google Classroom or their typical communication method (Dojo, Remind, Class Tag, Google Voice Text, email, etc.)
- Students have been introduced to Google Classroom, but we realize that this may be new and unfamiliar to parents and/or caregivers that will be assisting students on Virtual Learning Days.
  - On our building website you can access the following links:
    - [Google Classroom Video Tutorial](#)
    - [Step by Step Slides for Google Classroom](#)
- If your student does not have access to the technology required for virtual learning assignments, please reach out to your child's teacher so that together you can come up with a plan.
- If assignments cannot be completed on the virtual day, students will have a window of three additional school days, once we return to school, that the assignments will need to be completed and submitted.
- Please contact Mrs. Smith or Mrs. French for any questions that you may have.

Thank you,

Bridget Smith, Principal

Christina French, Assistant Principal

#### Attendance Policy

- Students are allotted 5 days of excused absences without a doctor's note in one school year.
- After 5 days of excused absences a doctor's note is needed. Otherwise absences will be considered "unexcused".
- If a student tests positive for COVID proof is needed. For example: a note sent from a doctor OR a picture of the COVID test to include student's name and date.
- If proof of COVID is presented to the office, the absences due to COVID will not count toward a student's 5 days.

#### Habitual Truancy

- 30 or more consecutive hours without a legitimate excuse
- 42 or more hours in one school month without a legitimate excuse
- 72 or more hours in one school year without a legitimate excuse

#### Transportation Home

If a student's transportation home is changing for the day, please contact the school office at 419-332-1511 by **2:30pm**. Thank you!

#### Cold Weather Reminders

Just a reminder that students who are eating breakfast may enter the building at 8:20 AM. Students not eating breakfast can enter the building at 8:30 AM. If it is raining and/or snowing students will need to stand outside until the time listed above. We do not have staff in the building to monitor students earlier than the times listed above. Please remember to send your children to school with a winter coat, hats and gloves for recess.

## Nurse's Corner

February is National Children's Dental Health awareness month. The American Dental Association reminds us to brush two minutes, two times a day. Clean between your teeth daily. Limit snacks and eat healthy meals. Finally, visit your dentist regularly. Your teeth will thank you later!

If you have slightly used pants/leggings for students that you are willing to donate, please bring them to the school office. We could use a wide range of sizes for students who may have a spill at lunch or a fall at recess. We are also accepting donations of new underwear. Thank you for your help!

Please remember to put your child's name in their coat and lunch bag so that the item can be returned to your child if it is misplaced.

You  
don't have  
to   
**BRUSH ALL YOUR TEETH—**  
Just the ones you want to keep.

# COMMUNITY

Thanks A LATTE to our Coffee Cart sponsor, Down Thyme Cafe. They are donating coffee and some sweet treats each month for Miss Darr's Coffee Cart crew to deliver to the Croghan Staff. Miss Darr also got a cart upgrade as a special Christmas gift from her special someone!

**Yearbooks will be sold online this year from 2/27/23-3/10/23. Fliers will be coming home soon with students for the code to order online. If ordering online is not an option for you, please see Stacey in the school office.**

## *From the School Counselor . . . . .*

Hello Croghan Families! My classroom lessons for the month of January were focused on the Growth mindsets and the “Power of Yet”. Kindergarten and 1st grade students heard a story about a giraffe who learned to dance because he never gave up. Second and third grade students created their own “Magical Yet”. Fourth and fifth Grade students played a game encouraging them to add the word yet to their sentences. I discussed with all grades things they may not be able to do yet, however, that doesn’t mean they should give up or stop trying. All students learned that even though they may not have the skill, talent or knowledge yet that there is always a goal to work towards. Please talk with your child about what they learned during the lesson and what skill they are working on with the “Power of Yet”.
