SCHOOLS

Dear Croghan Families,

On Tuesday, January 23, 2024, we used our 5th and final calamity day for the school year. The next school cancellation will become a Virtual Learning Day.

- Classroom teachers will communicate the schedule for the day by 11:00 on the Virtual Learning Day. Teachers will communicate this information through Google Classroom or their typical communication method (Dojo, Remind, Class Tag, Google Voice Text, email, etc.)
- Students have been introduced to Google Classroom, but we realize that this may be new and unfamiliar to parents and/or caregivers that will be assisting students on Virtual Learning Days.
  - Croghan Building Website can be accessed by:
    - Going to <https://www.fremontschools.net/>
    - Click on the School drop down menu (left side of page)
    - Click on Croghan
    - Click on Croghan Elementary Google Site (right side of page)
  - On our building website you can access the following links:
    - [Google Classroom Video Tutorial](#)
    - [Step by Step Slides for Google Classroom](#)
    - [Croghan Staff Google Classroom Links](#)
- If your student does not have access to the technology required for virtual learning assignments, please reach out to your child's teacher so that together you can come up with a plan.
- If assignments cannot be completed on the virtual day, students will have a window of three additional school days, once we return to school, that the assignments will need to be completed and submitted.
- Please contact Mrs. French or Mr. Schwartz with any questions that you may have.

## A message from our School Counselor, Mrs. Avants. . . .

Hello Croghan Families! February is the shortest month but is packed full of holidays like Valentine's Day and Presidents' Day as well as the month where we celebrate Black History. February is also National Random Acts of Kindness Month, making it the perfect opportunity to reinforce compassion and empathy in your child.

Performing a random act of kindness is exactly what it sounds like: deliberately attempting to brighten someone else's day by doing something kind for no specific reason. The intention behind it is to practice selflessness and altruism, but research has shown that there are, in fact, many benefits to practicing kindness. For children, showing kindness towards family, friends, their community, and strangers strengthens skills such as respect, responsibility, empathy, and compassion.

There are so many ways for children to join in and participate in this month! Below are just a few ideas. Take time this month to talk to your child about kindness and ways to show kindness to others.

- Talk to someone new at school.
- Take cookies to the fire station.
- Take care of someone's pet while they're away.
- Collect money or items to donate to your favorite charity.
- Donate coloring books and crayons to the children's hospital.
  - Make a thank you card for your favorite teacher.
  - Smile at everybody. It's contagious!

**NO school on Friday, 2/9/24, due to a PD Day for staff!**

Keep up to date on the latest events happening in the district by logging on to [www.fremontschools.net](http://www.fremontschools.net). The top left corner has a link for the Master District Calendar.

## Nurse's Corner

February is National Children's Dental Health awareness month. The American Dental Association reminds us to brush two minutes, two times a day. Clean between your teeth daily. Limit snacks and eat healthy meals. Finally, visit your dentist regularly. Your teeth will thank you later!

Spring Picture Day will be on Friday, March 22nd! Flyers will come home with your students in early March.

The PTO Snow Ball for students in grades 3-5 (and their parents/guardians) has been rescheduled for Friday, February 23rd from 6:00-7:30pm!
