

## SCHOOLS

Dear Croghan Families,

As the 2023-2024 school year comes to a close, we take this moment to reflect on the incredible journey we've had together at Croghan Elementary. This year has been marked by significant growth, memorable experiences, and numerous achievements, all made possible through the unwavering support and partnership of our dedicated parents.

At the beginning of the year our goals focused on creating a safe, nurturing environment that fostered both academic excellence and personal growth for every student. With the support of our dedicated teachers and the commitment of our students, we have seen improvements across all grade levels. Innovative teaching methods and a focus on individualized learning plans have played a crucial role in this success.

Personal growth has been equally important. We have provided numerous opportunities for students to develop their social and emotional skills through various programs and activities. From leadership roles in school clubs to recognition of Jet Leaders, our students have demonstrated commendable growth in character and empathy.

Ensuring that learning is enjoyable and engaging has been a cornerstone of our approach. Our school events and extracurricular activities have enriched the student experience, making Croghan Elementary a place where education and fun go hand in hand.

We extend our heartfelt thanks to each parent for your continuous support and partnership. Your involvement in school activities, your encouragement at home, and your collaboration with our teachers have been instrumental in making this year a success. Together, we have created a thriving community that prioritizes the well-being and growth of every child.

As we look forward to the next school year, we remain committed to our mission of providing a safe, nurturing, and stimulating environment for all our students. Thank you for being an integral part of our school community. We wish you a wonderful summer and look forward to seeing you again in the fall.

## Summer EBT Benefits and Eligibility Date Change

Ohio is participating this summer in the Summer EBT program, also known as SUN Bucks. Even though your elementary student receives school meals at no cost, **each child must still be approved for Summer EBT**. If you're already receiving food benefits such as SNAP/FDPIR/TANF/ETC., your student is automatically eligible for the Summer EBT program.

If you are not and your household income is less than 185% of the federal poverty level, school aged children in your household may be eligible. You can apply for Summer EBT using the application at [sebt.ohio.gov](http://sebt.ohio.gov). The date to apply for summer EBT benefits has been extended to August 16, 2024. If you have questions about the application, contact the Summer EBT Helpline at 1-866-244-0071, option 1.

You will need to provide your child's name, school, date of birth, along with the names of other people in your household, your household income, and address where you would like the benefit card to be sent. You will not need to provide any documentation to apply but could be asked to verify your information. Receiving Summer EBT will not affect children's or families' immigration status.

Participating households will receive a one-time \$120 payment for each eligible child on a benefit card you will receive in the mail. You can use the money to buy food during the summer at grocery stores, farmers markets, and other authorized retailers. If you receive more than \$120 per eligible child in your household, do not use the benefits. Contact the SEBT Helpline at 1-866-244-0071, option 1 as soon as possible to confirm or correct the error.

If you have questions, you can contact the Summer EBT Helpline at 1-866-244-0071, option 1 or Jessica Michel, Child Nutrition Supervisor, at 419-334-5440.

## Attendance Policy

  - If you know that you will be picking your child up early for an appointment, please send a note to school with them.

419-332-1511**

## A message from our School Counselor Mrs. Avants. . . .

Hello Croghan Families! As we end this school year, I encourage you to create a Summer Bucket List with your child(ren). This can be a fun family meeting where all ideas are shared and you all create a list together.

Here are some ideas:

- Visit a zoo
- Water day/ play in the rain
- See how many different slides you can go down in one day
- Random acts of kindness- how many acts of kindness can you do in one day?
- Family board game night
- Dessert for dinner
- Create a home spa/ relaxation day
- Picnic at a park
- Read a book together as a family
- Go for a family bike ride

No matter what you do, I hope everyone has a fun and safe summer! See you next school year. -Mrs. Avants, School Counselor
