A word from the School Counselor. . .

Hello Families! We have gotten off to a great start here at Croghan Elementary. I have been able to go in all the classrooms for classroom lessons. The students have learned about what a school counselor does, the importance of kind words and making healthy & positive choices. We have also been learning about the Zones of regulation which helps students to label and identify their emotions. Please ask your student about all the wonderful things they have been learning with Mrs. Avants lessons.

THE ZONES OF REGULATION

A CURRICULUM DESIGNED
TO FOSTER SELF-REGULATION AND
EMOTIONAL CONTROL

Each week the students have been participating in two lessons relating to the Zones of Regulation. Below are the topics thus far that have been covered with their teachers.

Lessons 1 and 2- “Introduction of the 4 Zones”, “Identifying emotions and state of alertness for each zone.”

Lessons 3 and 4- “Identifying emotions viewing characters in video clips”, “Identifying emotions in given scenarios.”

Lesson 5 and 6- “Understanding Different Perspectives”, “How does my behavior affect others?”

Lesson 7 and 9- “Identifying more emotions in the zones”, “Identifying Triggers.”

For Additional Information regarding Zones of Regulation, please visit:
