4TH GRADE REACH

- One of the opportunities offered to fourth grade this year is the REACH program. Each fourth-grade classroom in Fremont City Schools is partnered with a local business or organization to teach fourth graders about what it takes to be successful now and as they enter the workforce in a few years.
- Mrs. Fought's class is very fortunate to be partnered with Crown Battery this year. Miss Lisa will visit once a month to present a lesson on skills students are currently working on, which will help them as they continue to grow.
- We had our first lesson on Friday, September 19th. She discussed what Crown Battery does, the types of jobs available, and provided an overview of our plans for the rest of the year.

Meetings are held on the second Tuesday of every month at 5:30 p.m. in the cafeteria.

- Our next meeting is Tuesday, October 14th, at 5:30 p.m.
- Our School Store is up and running. The School Store will be available every Friday from 8:30 to 9:00 a.m. Students can only purchase items for themselves.
