

Dear Fremont Middle School Families,

This year is flying by and we are doing such great things at FMS! Our FMS teachers have been working hard with your students to ensure they are successful in their classes, but it takes a village! Parents, please make sure you check Progress Book frequently and have conversations with your students about missing work and their grades. Also, if you have not signed up for ParentSquare, please do so! This is our district's main form of communication, so don't miss out!

As we head into winter, please remind your children to dress warmly and exercise caution during icy conditions. The school does not open its doors until 7:10, so in the event that students need to wait outside, please make sure they are dressed appropriately. Thank You for Your Support

Wishing you and your family a joyous, healthy holiday season and a Happy New Year!

Sincerely,  
Erin Parker  
FMS Principal

Consider taking part in this year's book fair for your student or even donating to help another Fremont Middle School student. Please see the FMS ParentSquare for more details.

## TEAM FINDLAY: MAKES LOCAL SCIENCE CAREER CONNECTIONS

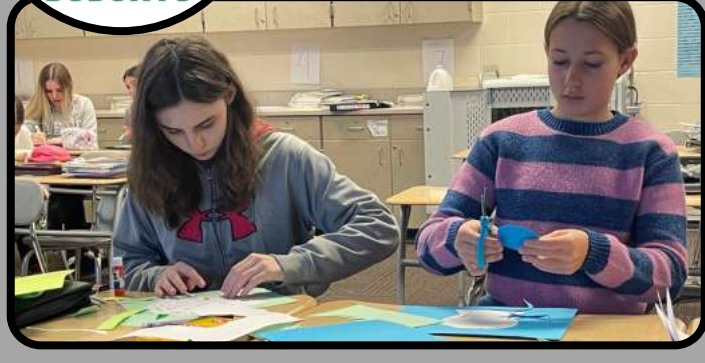

Recently, Zach Randolph from the Sandusky County Soil and Water Conservation District (SCSWCD) spoke to the team. Students learned about the vital role that SCSWCD plays in monitoring water and soil conditions throughout the county and in supporting local agriculture to maintain best farming practices. Mr. Randolph explained to students that there are a variety of science careers connected to the work that SCSWCD does. He encouraged those interested in science or agricultural careers to consider them.

## TEAM OU: SPREADING HOLIDAY CHEER

Team Ohio was just one of many teams spreading holiday cheer throughout our community. Students used their writing and artistic skills to create a variety of holiday cards to be distributed to the elderly and disabled throughout December. A yearly tradition for the team, OU students spent time learning about how not everyone has family during the holidays, and simple acts of kindness - like taking the time to make homemade cards - were a way to spread a little joy in the life of someone who might otherwise have nothing. It was a good lesson in being thankful for what you have and also in empathy.

## Fundraiser Update!

FMS recently held its annual Stoller Fundraiser, and the proceeds were distributed directly to its teams to spend on incentives. As a school, our students made \$5,276.70- wow! Who sold the most? Here are our top 3 teams:

#1

Team Miami: \$913.80

#2

Team Ohio: \$792.60

#3

Team Capital: \$722.70

Congratulations to all of our students who participated!

- Physicals can be submitted digitally through FinalForms, but we must also have a paper copy on file! We are not notified when physicals are uploaded online, so please make sure you are sending a hard copy of your athlete's physical to school with them after their appointment.

## STUDENT COUNCIL:

Our Student Council has been very busy helping our community! Just this past month, they ran two events to raise donations:

- An OSU vs Michigan "House Divided, Hearts United" face-off! Buckeyes fans brought in non-perishable food items for our in-school pantry, and Wolverines fans brought in supplies for the Humane Society. Michigan collected 15 items, and Ohio collected a whopping 250 items for our pantry! Go Bucks!

- The yearly Toys for Tots drive is currently underway! Donation boxes are around the school to collect new, unopened toys to spread the holiday cheer. Want to donate? There's still time- collection ends December 15th.
