Word of the Month

Happy Holidays to our Lutz Families!

As the year draws to a close, we are filled with gratitude for our wonderful students, families, and staff who make our school such a special place. December is a busy month, full of learning, celebration, and community-building. Candyland is the school-wide theme this year, and the hallways and learning studios are being festively decorated.

Over the next few weeks the students will be participating in various December games and activities. These include our Christmas Carnival, during our school day on December 18th, with holiday-themed contests and our annual candlelight lunch on Thursday, December 19th. Additionally, the students can take part in daily themed attire beginning the week of December 16th. Please see the attached page for more information. We would not be able to implement all of the activities if it wasn't for the support of the Lutz PTO. Thank you!

The entire Lutz Staff would like to wish everyone a Merry Christmas and a blessed holiday.

Dr. Pierce
Mrs. Roth

Lutz Students Show Generosity

The holiday season is a time for giving and our Lutz students are showing their generosity in lots of ways. Our November project was food drive in which we collected hundreds of cans for our Fremont City Schools Food Pantry.

This past week, our Make a Difference Club sold candy canes to raise money for remote control cars that will be donated to a children’s hospital in memory of two former Lutz students that passed away last summer.

Our December community service project is to support The Marine Corp. with their annual *Toys for Tots* program. Students can bring in a new, unwrapped toy by December 16th to help make Christmas brighter for other children.

Thank you to our Lutz students, parents, and staff for their generosity and willingness to give these worthwhile community projects.

EMPATHY Family Newsletter

PurposeFULL
People

Empathy Overview

This month's focus is Empathy. One way to think about Empathy is "understanding and connecting with other people's feelings." Empathy is a practice that can help us grow strong relationships.

Empathy is 1 of 3 traits we will focus on throughout the year that helps students **Be Kind**. Across grade levels, students will be developing skills like perspective-taking, conflict resolution, and leadership.

Conversation Starters

- What does Empathy look like to you?
- Is it hard for you to share how you feel with others? Why or why not?

PurposeFull Pursuits

Have some fun connecting as a family this month while practicing Empathy. Here are 2 "PurposeFull Pursuits" you can complete together!

#1

Empathy is understanding and connecting with other people's feelings. Schedule a family movie night so that you can specifically watch for feelings and emotions. Let everyone know that you'd like them to point out how the characters in the show are feeling and that you will pause periodically to discuss Empathy. As emotions are identified, invite one another to Empathize by sharing about a time they felt that way or imagining how they might be feeling in that moment.

#2

Review the definition of Empathy as a family! Remember that Empathy is understanding and connecting with other people's feelings.

Find a time to sit in a circle together and celebrate all the ways you have seen each other practice Empathy. Take turns sharing responses to the following prompts or make up your own! Remember to practice Empathy as you listen to each other.

- What is 1 way a family member has shown you Empathy lately?
- Share about a time when you felt like someone really listened to you.
