SCHOOLS

June, 2025

Dear Ross Families and Students,

Now that the school year has wrapped up, I want to say thank you for an outstanding year and for trusting us with your kids. The partnership between Fremont Ross and our families means a lot. We're all working toward the same goal, helping your child succeed, grow, and become confident in who they are. I appreciate the support you've shown your students throughout the year, and I truly valued the conversations we've had with many of you along the way. This connection makes a real difference.

Our staff is already hard at work preparing for the 2025–2026 school year. One important update involves our electronics and cell phone policy. We made solid progress adjusting to the new state law this past school year, and we expect there may be further changes heading into next year. We will continue to not allow phones to be used in classrooms or earbuds to be worn during class time. Simply put, phones are a distraction to learning. We want our students engaged, heads up, listening, and ready to learn. The instruction they receive each day plays a key role in building the foundations they'll need to be successful. We appreciate your support as we continue to make this shift and hold students accountable for staying focused in the classroom.

We want to take a moment to recognize the Class of 2025. Getting to know this group and watching them grow into the young adults they are today has truly been a pleasure. They've made a lasting impact on Fremont Ross, and their presence will definitely be missed. We wish them all the best as they take their next steps, wherever the future leads them.

On behalf of all of us at Fremont Ross, we hope you have a safe, relaxing, and enjoyable summer. We're already looking forward to welcoming everyone back in August.

Take care,

Ryan Norris
Principal

ACE Mentoring Program

The ACE Mentoring Program has had a highly productive and rewarding school year, filled with positive outcomes and significant successes for both students and mentors. This year, 42 Ross High School students were paired with dedicated mentors, resulting in notable improvements in both academic performance and attendance.

Among the many highlights, ACE students consistently made the honor roll, and three seniors proudly graduated on June 1, 2025. These graduates are now preparing to take their next steps by entering college or joining the workforce.

To mark the end of the school year, the ACE Mentoring Program held its annual End-of-Year Celebration on Wednesday, May 14, 2025, from 9:30 a.m. to 11:00 a.m. at Ole Zim's Wagon Shed. This special event honored graduating seniors and recognized all student participants for their academic achievements. It served as a meaningful conclusion to a successful year of mentorship, growth, and accomplishment.

The ACE Mentoring Program is made possible through the generous support of the United Way of Sandusky County and the Sandusky County Children & Family First Council. For more information about the program, please contact: Mrs. Susan Frye, e-mail at fryes@fremontschools.net or office: at 419.334.5484
