

SCHOOLS

**November/December, 2022**

Dear Families of Ross Students,

We are now approaching the end of the first semester of this school year. It is amazing how fast the time flies. With the start of this school year, we are truly learning all this new building has to support our staff and students.

Hopefully, you were able to enjoy our first musical, Hairspray, performed in the Performing Arts Center. If not that, maybe you have been able to enjoy any of the FRMLG skull sessions, the choir concerts, the orchestra concerts, or even the Veteran's Day ceremony. We are so blessed to have this spectacular space that allows our students to learn, support and perform in so many different avenues of the arts.

As this school year has had many successes, we are still dealing with the challenge of attendance. Our attendance policy was changed prior to the start of this school year that allows students to be called off by you as an excused absence five times for the school year. After 5 excused absences, students will need a doctor's note for the absence to have it excused. Regular attendance improves your child's school success and experience. If your child is absent, please encourage them to review their Google Classroom for each class to stay as caught up as possible. It is also critical that you and your child remain in communication with your child's teachers to ensure they are being successful in the classroom.

Upon returning from our Thanksgiving Break, Ross students who need to complete retakes for competency scores and graduation seals will have the opportunity during the Ohio State Testing window, November 29th - December 15th. Those students testing need to give their best effort as these tests do impact their graduation pathway.

The second semester will end on December 20th. Beginning on December 16th, semester exams will be scheduled for each class. A testing schedule is included in this newsletter and will be shared out via Final Forms and through our school announcements.

Lastly, those students who are interested in taking CCP classes for the second semester should speak with their grade level counselor to explore the variety of course offerings.

The Ross school community wish everyone the happiest of holidays. This is truly a great time to be a Little Giant!

Yours in education,

Christine Oravets, Principal

## SOPHOMORES' VANGUARD VISITATION

On November 9th the sophomores will have the opportunity to visit Vanguard Tech Center. Each student will follow a schedule to visit the labs they chose to explore. This is a great opportunity for sophomores to begin the career exploration process and to see what Vanguard Tech Center has to offer them. The students had 16 labs from which to choose at Vanguard Tech Center, some of which prepare students to go directly into the workforce while others give them a college experience while still in high school.

**Applications for Vanguard Tech Center are due by February 3rd and can be found on their website.**

## **ACE Mentoring Program** (Assisting Children to Excel)

ACE Mentoring at Ross High School is off to a positive start for the school year. Many relationships are being established along with exceptional mentoring happening.

ACE is a career based mentoring program that is designed to help students establish career goals, plan for their future, and succeed in school. Mentoring is held in person during a study hall, or non-core classes, and students have an opportunity to talk about the social pressures and issues that they may be experiencing. Students are encouraged to succeed in school and have good attendance.

Throughout the school year, mentors and mentees have talking points they talk about during the mentoring sessions. Topics are organizational skills, skills for smart studying, graduation, career and what their future brings. Each mentoring session always encourages academic success.

We are currently serving 9th-12th grade students at Ross High School and 6th-8th grade students at Fremont Middle School. Any Fremont City School student is eligible to participate, but students are required to complete an application and parent permission is necessary.

**For more information you may contact the ACE Mentoring Coordinator, Mrs. Susan Frye at 419-334-5484 or by e-mail: [fryes@fremontschools.net](mailto:fryes@fremontschools.net)**

## VERY IMPORTANT – EMAILS

Perhaps never before has communication been so important between schools, parents/guardians & students!  
**Parents & Guardians** - Please check your email that you used to fill out the FinalForms paperwork. If you need to change that email, give us a call and we can help you with that! You can also email your child's teachers, guidance counselors or principals with any questions or concerns you may have. Find their email addresses at [www.fremontschools.net](http://www.fremontschools.net).

**Students** – please check your school email at least once a day to stay up to date with important information! You can also use email to send questions and concerns to your teachers, counselors & principals. If you have any questions, contact the Ross office or your guidance counselor!
